

Body Fluid Exposure Protocol

For **ANY** accidental body fluid contact to unprotected skin or mucous membrane, and punctures (including human bites):

Get help from another adult.

For **any** body fluid contact **IMMEDIATELY** wash skin with soap and water for 2 minutes and/or flush eye/nose/mouth for 10 minutes with running water (remove contacts).

You must contact the MESD Nurse Consultant as soon as possible at 503-257-1732 for all **blood exposures** or any body fluid **contact to eyes, nose, or mouth** or all **human bites** to bare skin or any **puncture** with a contaminated object or if you have any questions

Notify your supervisor - Same time; same day.
Complete all required district forms and give them to your supervisor.
